

A Paddling Eco-tour Canada's Lake Superior Coast

Canada's Lake Superior coast is a textured quilt of Provincial and Federal Parks, Forest and Marine Conservation Reserves, all loving the world's largest crystal clear sweet-water sea. A perfect destination for your next paddling adventure.

This slide show is all about Canada's Lake Superior paddling routes and their rich patchwork of stories. We'll visit the Slates, Pic and Michipicoten Islands, Pukaskwa National and Lake Superior Provincial Parks and Superior's newest National Marine Conservation Reserve.

Headed to Canada this year? Let us be your living, interactive guidebook.

David Wells

David's the head hula hooper and CEO for Naturally Superior Adventures and Rock Island Lodge located right on Superior near Wawa, Ontario. Since 1994, the adventure company has focused on silent sports, especially paddling outfitting, guided trips and instruction on Superior's Canadian coast. David loves to share his fascination with Lake Superior, embellishing his experiences with stories of myth and magic.
