

Tall Ship Adventure: Across Lake Michigan aboard the bark Europa Presented by Jonathan Ahlbrand

Summer of 2010 was the Great Lakes Tall Ship Celebration. Tall ships from all over the world converged on the Midwest for a series of events at different ports throughout the Great Lakes.

Beginning at Muskegon, and culminating in Chicago as a part of the Tall Ships Chicago 2010 Parade of Sail and celebration, Lansing Sailing Club Vice Commodore Jonathan Ahlbrand, shares his 2 day sailing adventure aboard the 185ft bark Europa. Learn what it is like to climb the rigging, brace the yards and be an active member of the ship's crew. This multimedia presentation will provide perspective on sailing ships, sail training and tell you how you can find similar opportunities along the shores of Michigan and beyond.
