

The Upper Peninsula's Lake Huron Coast

Most nature enthusiasts traveling north cross the mighty Mackinac Bridge and turn West. Make a turn East, and discover a wonderful paddling world filled with numerous peninsulas, sheltered waters and over a hundred islands. Learn about the hidden paddling gems and the unique ecological features that comprise the Les Cheneaux Islands, Saint Mary's River and Drummond Island. Pack binoculars, a day pack, map and compass and come for a visit. The rest is here.
